

**CONTINUED SERVICE AGREEMENT
LIMITED NON-CAREER APPOINTMENT HIRING PROGRAMS**

I understand that the Department of State agrees to pay the expenses incident to my Foreign Service appointment for travel, transportation, moving and/or storage of household goods and personal effects and other applicable allowances for myself and dependents as authorized under the Foreign Service Act of 1980, as amended, only if I remain in the service of the United States Government for the duration of my initial appointment.

I agree that if I do not remain in the service of the United States Government for the duration of my initial appointment, unless separated for reasons beyond my control and acceptable to the Department of State, all monies expended by the United States Government for such travel, transportation, and other applicable allowances will become due and payable by me and recoverable as a debt due the United States Government.

I further understand that I will not be eligible for separation travel and shipment of effects to my home of record if I resign prior to completion of my initial appointment or, if my appointment is extended, I have not served a total of 12 months at post.

I understand that the Department of State may waive recovery of this debt in those circumstances where the Department, in its sole discretion, determines that recovery of this debt would be against equity and good conscience.
