As a new/newly eligible Federal employee, you may be able to enroll in health insurance, dental insurance, vision insurance, flexible spending accounts, life insurance, and/or apply for long term care insurance. Here's some basic information about each program. You can find more comprehensive information at www.opm.gov/insure, in the *Guide to Federal Benefits* at www.opm.gov/insure/health/planinfo/guides/index.asp or by contacting your agency's human resources office.

Program	Program Description
Federal Employees Health Benefits (FEHB) Program www.opm.gov/insure/health	FEHB provides comprehensive health insurance. You can choose from fee-for-service plans, health maintenance organizations, consumer-driven plans and high deductible health plans. Generally, premiums for your enrollment are shared by you and your Federal agency.
Federal Employees Dental and Vision Insurance Program (FEDVIP) www.opm.gov/insure/dental/index.asp http://www.opm.gov/insure/vision/index.asp	FEDVIP provides comprehensive dental insurance and vision insurance. You can choose from seven dental plans and three vision plans. FEDVIP features nationwide, regional, and international plans. You pay the entire premium.
Federal Flexible Spending Account Program (known as FSAFEDS) www.fsafeds.com	FSAFEDS provides a way for you to save money on health care and/or child care/elder care expenses. You set aside money from your salary BEFORE taxes are withheld, incur eligible expenses and receive reimbursement. Enrolling in FSAFEDS lowers the amount of income tax you pay because the salary you set aside for FSAFEDS is not taxed. That's how you save money with FSAFEDS – you pay less tax.
Federal Employees' Group Life Insurance Program (FEGLI) www.opm.gov/insure/life	FEGLI provides group term life insurance. If you are in a FEGLI-eligible position, you are automatically covered under Basic life insurance, unless you choose to waive that coverage. Generally, premiums for Basic insurance are shared by you and your Federal agency. You can also elect Optional insurance for you, and/or your eligible family members, and pay the entire premium for that coverage.
Federal Long Term Care Insurance Program (FLTCIP) www.ltcfeds.com	FLTCIP offers insurance that helps cover the costs of certain long term care services. Long term care is the assistance you receive to perform activities of daily living or supervision you receive because of a severe cognitive impairment. Your premium is based on your age on the date you apply as well as the benefit options you select. The FLTCIP is medically underwritten. Certain medical conditions, or combinations of conditions, will prevent some people from qualifying for coverage.
