

Bureau of Overseas Buildings Operations Represents American Values

Foreign Service Specialists

As America's lead foreign affairs agency, the U.S. Department of State is dedicated to protecting and strengthening America's interests abroad.

The Bureau of Overseas Buildings Operations (OBO) is the real property manager for overseas diplomatic facilities and one of the world's largest and most experienced real estate developers. OBO's mission is to provide the most effective facilities abroad. These facilities represent American values and the best in American architecture, design, engineering, technology, sustainability, art, culture, and construction execution..

With your diverse educational and cultural backgrounds, knowledge, and exceptional analytical, and problem-solving skills, you can become part of America's foreign policy leadership, contributing your specialized skills, innovative thinking, and global perspective to support and expand our efforts worldwide.

As a U.S. citizen, you are America. And you can represent America to the world.

OBO Foreign Service Specialists work as either Construction Engineers or Facility Managers in U.S. embassies and consulates throughout the world.
