Talent Network

The U.S. Department of State offers opportunities that help students prepare for careers in the Civil and Foreign Service. Keep up to date by joining our talent network at <https://doscareers.com/talent>. **U.S. citizenship is required to apply.**

## CIVIL SERVICE OPPORTUNITIES (DOMESTIC ONLY):

**Pathways:** Three paid federal government-wide programs designed to introduce students and recent graduates to a career in federal (civil) service. All three programs provide potential for conversion into permanent positions.

- **Pathways Internship Program:** Offers paid employment while students attend school. Applicants must be at least 16 years old and enrolled or accepted as a student (full-time or part-time) in a qualifying high school, vocational school, undergraduate or graduate program, with a GPA of at least 2.0.
- **Recent Graduates Program:** Provides one-year, full-time positions to applicants who have completed a qualifying associates, bachelors, masters, professional, doctorate, vocational or technical degree, or certificate from a qualifying educational institution within the last two years (up to six years for veterans precluded from applying due to military service). Includes rotational opportunities.
- **Presidential Management Fellowship (PMF):** The federal government's premier leadership development program for those who have completed an advanced degree within the last two years and have a clear interest in public service. This two-year program seeks to develop future government leaders and includes training and rotation opportunities. For more information, visit [pmf.gov](http://pmf.gov).

**Colin Powell Leadership Program:** Recruits highly motivated individuals from a variety of backgrounds with the aspiration and potential to become future Civil Service leaders in the Department. The program provides paid fellowships to recent college graduates and paid internships to students enrolled at accredited institutions of higher education. For more information, visit <https://doscareers.com/cpl>.

**STEM Fellowship Program:** The Science, Technology, Engineering, Math (STEM) Fellowship Program was designed to bring new talent into the Department's global technology environment. It is open to individuals who, at the time of application, will have completed their formal education in one of the identified Science, Technology, Engineering, and Math (STEM) disciplines outlined in each vacancy announcement. Learn more at <https://doscareers.com/STEMfp>.

**Civil Service Foreign Affairs Fellowship:** The Civil Service Foreign Affairs Fellowship Program was designed to bring new talent into the Department's foreign affairs ranks. It is open to individuals whose educational background meets the basic requirement for the Foreign Affairs career track at the time of application. Learn more at <https://doscareers.com/csfaf>.
